

This July, The LOCAL is proud to donate to the Santa Clarita Veteran Services Collaborative!

*Stop by and help support local veterans and their families. Every **Charity Burger**, **Charity Beer** and **Charity Cocktail** makes a difference!*

Founded in 2017, the Santa Clarita Veteran Services Collaborative is a 501(c)(3) organization providing vital resources including food assistance, housing and employment referrals, legal and financial guidance, benefits navigation, and peer support. Through partnerships such as the Veteran Peer Access Network (VPAN), veterans can receive assistance navigating VA benefits and connecting with critical services.

Come enjoy a great meal this month and **help us give back to those who have served our nation**. Every visit helps strengthen support for veterans right here in the Santa Clarita Valley.
